

JONATHAN SAINSBURY

George III Adam Oval Border Glass

A carved oval mirror of Adam design with leaf carved outer frame and bead carved inner frame, the surrounding border glasses are punctuated by oval flower-head paterae. The cresting formed of a classical urn. The flame finial is raised upon a gathered acanthus leaf spray and with trailing garlands of husks cascading to the apron and gathered to the frame by carved paterae.

Height: 1600mm / 63"
Width: 710mm / 28"
