

Deep Dene Dining Table

A circular dining table of large proportions in the style of Thomas Hope. The table, which is constructed entirely from early 19th Century timbers, was commissioned for a country house in Devon. The 72 inch diameter table top has inlaid ebony stars and brass lines and the edge is inset with a brass band and paterae. The base is of pyramidal form and rests upon Regency Grand Tour inspired winged claw feet. Finished in aged polish.

Bespoke sizing, design adaptations and finishing available.
